10pcs Cooling fans and High quality Die-casting Alu housing fast heat dissipation.

FAQ

1 What is the main market for New way?

We are selling more to EU and North America because the markets have high quality standard for LED products. The rate stands our turnover up to 70-80%. But other new markets are increasing demand of the New Way LED technology. We are also optimistic about the markets for other American and Asian regions.

2 What is New way lead time for LED Strip?

Usually we ship orders in 4 to 7 days.,but it will take a little longer if with heavy burden of production task. It also takes more time with customized products.

3 Can New way do custom assembly or offer OEM product?

New way has gained a lot of experience on OEM assembly of LED lighting bar and LED pods light. The LED light bar can have different size, layout, customer logos and labels. We will strictly follow the principal that we won't disclose or sell customer unique designs or jointly developed products to another third party.
