## Product Description

### Professional LED Studio Lights Super Brightness from 3200K to 5600K

Aluminum made DMX function professional LED Studio light from 3200K to 5600K variable

#### Product Description

C series LS LED Studio light C-800ASV is a new generation light from Lishuai company. It is the ultra soft light with LEDs on the lateral of the lighthousing and the beam is reflected from the inside layer of the diffusion material. The beam is so soft people can look directly to the light with no harm to the eyes.

C-800ASV is the Bi-color version variable from 5600K to 3200K and illuminance change from 100% to 10%. The light is AC powered with external AC power adapter or DC powered with the included SONY type battery (it is not included in the light) via the V mount on the light.

There is a big LCD Screen on the back of the light for checking the DMX address, color temperature and brightness percentage.

The aluminum light is with size 10.1 x 18.1 x 9.5 cm (3.98" x 7.1" x 3.74") ,weight 4.7 kgs (10.3 Lbs ) , packed with a hard case. Portable for location work with the battery power choice.

#### Specifications

Model No.	C-800ASV
