

## 16w LED Tube Light Replacement Bulbs 4000k PC Cover Material

### Our Product Introduction

#### Basic Information

- Place of Origin: CHINA
- Brand Name: P&E
- Certification: CE/EMC/LVD
- Model Number: T5A120color
- Minimum Order Quantity: 3000pcs
- Price: USD0.99 to USD2.5/PC
- Packaging Details: each in a color box
- Delivery Time: 15-25 DAYS
- Payment Terms: L/C, T/T, Western Union
- Supply Ability: 10000PCS PER DAY

#### Product Specification

- Body Material: Glass Tube
- Cover: PC
- Wattage: 16w Tube
- Voltage: 85-265v
- Color Temperature: 3000k, 4000k, 6000k
- RA: 0.8
- PF: 0.9
- LED CHIP: SMD2835
- Lumen: High Lumen 1600lm
- Warranty: 2years
- Light Source: LED,SMD 2835
- Input Voltage(v): AC85-265V,85-265VAC
- Lamp Body Material: Standard 1200mm T5 Led Tube Light,+Plastic End Caps (G5)
- Lamp Luminous  
Efficiency (lm/w): 100,90,110

## Product Description

**t5 led tube 1500mm, T5 led tube 4ft, t5 4 foot led tube, t5 fluorescent tube light, t5 t8 tube, t5 led lamp**

Item name: T5 LED GLASS TUBE

Rated voltage: 85-265v

rated wattage: 16w

color temperature: 3000k, 4000k, 6000k and colorful

Ra: 0.8

Power factor: 0.55 or 0.9

LED chip: SMD2835

LED QTY: 88pcs

Lumen: 1600lm

Tube material: glass + plastic end cap

Tube length: 120cm

Lifetime: 20000hours

Packing: each in a color box

Applications: This t5 led tube light is widely use for home, office, factory, production line, machine, advertisement cabinet, it is small size and high luemen is the best choice for lighting.

**t5 round tube**

## APPLICATIONS:
