

150 W Industrial LED Flood Lights Indoor Indoor Stadium Lighting Fixtures

Our Product Introduction

for more products please visit us on solarpanelstreetlight.com

Basic Information

- Place of Origin: ChengDu China
- Brand Name: HKV
- Certification: CCC, CE, ETL, FCC, RoHS, SAA
- Model Number: HKV-FLA-150W
- Minimum Order Quantity: 100
- Price: Negotiated
- Packaging Details: Brown carton or customer requirements
- Delivery Time: 30days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: 1000PCS per month

Product Specification

- LED Chip: SMD Chip
- Input Voltage: 100-277VAC
- Lumen: 19500lm
- Efficacy: 130lm/W
- Power: 100W
- Power Factor: 0.95
- IP Rating: IP66
- CRI: ≥ 70
- Color Temperature: 4500~5500K
- Fixture Material: Aluminum Alloy
- Operating Temperature: -30 To 80°C
- Storing Temperature: -40 To 80°C
- WARRANTY: 5 Years
- Beam Angle: 90° 110° 150°
- Highlight: exterior led flood lights

Product Description

150W Industrial Led Flood Lights Indoor Sports Stadium Lighting Module IP65

Specification:

Product Name	150W Industrial Led Flood Lights Indoor Sports Stadium Lighting Module IP65
Model Number	HKV-FLA-150W
Power	150W
Input voltage	AC 100-277V
Lumen	19500lm
Efficacy (IES)	130lm/W
Efficacy (LED)	160lm/w
CRI	≥70
Lumen Maintenance	L90>87,600 hours
Power Factor	0.95 Minimum
IP Rating	IP66
Operating Temperature	-30 to 80°C
Fixture Material	Aluminum Alloy
WARRANTY	5 Years
CCT	4500-5500K
Product Dimensions	366x273x235mm

Products Description:

150W Industrial Led Flood Lights Indoor Sports Stadium Lighting Module IP65

Reliable Lighting :

Flexible, modular design, easy to Installation&maintenance, tough aluminum alloy shell, make it safe&stable.

High waterproof IP66:

Fully sealed, waterproof&dustproof

Installed silicon sealing strip helps to cope with anywater and raining condition.

High Quality LED Source:

Top quality source adopted, system light efficacy up to 130lm/W. LED reach to 160lm/W.

More energy saving and stable. longer lifespan more than 50000H.

More beam angle choosable:

30/60/90/120/160 degree optional. Easy to maintain and install.

Tough aluminum alloy housing:

Anti corrosion,Excellent heat transmit performance. Free Maintenance, Durable and stable

Products Application:

Not only sports stadium, the factory, warehouse, park suitable.

Different Power:

We have 50W,100W,150W,200W,300,450W for choice. different power have different specifications, but they have same quality.

About US:

Chengdu HKV Electronic Technology Co.,Ltd., established in 2016. We are located in Chengdu City of Sichuan Province. We are professional on R&D, manufacture and offer quality outdoor& industrial LED lighting. HKV committed to provide professional solutions and technical service to customers. Our main R&D engineers have more than 10 years experience in the Led lighting.

HKV strictly complies with ISO-9001 and the workshop is managed according to the 7S site management system.

HKV main products are LED explosion proof light, emergency light, street light , high bay light, Led food light, tunnel light, .etc. HKV is one of the best manufacturers as well as a professional energy saving solutions provider of LED industrial lighting in China. We are welcome OEM & ODM products.

HKV takes quality as superiority and offer excellent pre-sale support and after-sale services. HKV not only provides customers with the high quality products with competitive price, but also offers the corresponding solutions.

Mission: Not just LED manufacturer, but one professional LED solution provider.

FAQ:**Q1. Why choose us?**

A1: We are a professional LED Manufacturer and good at manufacturing LED flood light, LED high bay light, LED street light and, LED mart light, LED explosion proof light and so on. As for LED, we have some advantages as below: Factory direct selling, Original designs, High quality control, fast delivery and competitive price.

Q2. How to order?

A2: Submit an inquiry straightly , We will reply you at the earliest time we can.

Q3. How long does the package take to delivery to my address?

A3: For sample order, package arrives you in 10 Working days (3 days for production, another 1-5 working days for delivery); For bulk order, 30 days for North American Area (Shipping by Air).

Q4. Can you offer OEM service?

A4: Yes, we can offer OEM service, we have our own designer and skilled technicals at your service.

Q5. Is it OK to print my logo on led light product?

A5: Yes. Please inform us formally before our production and confirm the design firstly based on our sample.

Q6: Do you offer guarantee for the products?

A6: Yes, we offer 2-5 years warranty to our products.

Q7: How to deal with the faulty?

A7: Firstly, Our products are produced in strict quality control system and the defective rate will be less than 0.2%. Secondly, during the guarantee period, we will send new lights with new order for small quantity. For defective batch products, we will repair them and resend them to you or we can discuss the solution including re-call according to real situation.
