

## IP65 Outdoor Flood Light Fixtures Waterproof HKV-FTG3b-30W CE ROHS Listed

### Our Product Introduction

for more products please visit us on [solarpanelstreetlight.com](http://solarpanelstreetlight.com)

#### Basic Information

- Place of Origin: China
- Brand Name: HKV
- Certification: CE, RoHS, FCC
- Model Number: HKV-FTG3b-30W
- Minimum Order Quantity: 300
- Price: Negotiated
- Packaging Details: brown carton
- Delivery Time: 30days to 50days
- Payment Terms: L/C, D/A, D/P, T/T
- Supply Ability: 100000pcs per a month

#### Product Specification

- LED Light Source: Brand Led Chips
- Input Voltage: AC85-265V
- Power Factor: >0.95
- CRI (Ra>): 75
- IP Rating: IP65
- Color Temperature: White Color Or Warm Color
- Lamp Luminous: 100 To 110lm/W
- Beam Angle: 120 Degree
- Working Temperature: -40 To 60
- CCT: 2800-3000K\4000-4500K\6000-6500K
- Lifespan: 50000h
- Warranty: 3 Years
- Highlight: commercial led flood lights

## Product Description

HKV-FTG3b-30W CE ROHS Listed Quality 30W IP65 outdoor cob smd Industrial Led Flood light led flood light 30w

### 1. Setting information

Setting Information	
Led source	top quality led souce
voltage	85-265V
power	30W
driver	Top brand driver
CCT	2800-6500 optioal
IP rating	IP 65
beam angle	120 degree
warranty	3 years

### 2. Features

- A) Quality Led Source, higher brightness, Low heat production, Durable and safe, Long lifespan.
- B) Excellent Heat Dissipation, Installed heat sink increase the airflow , speed the air convection efficiently, anti corrosion and crack resistance.
- C) Quality Tempered Glass Mask, Fully sealed and protecting the inside chip from water and dust, high brightness
- D) Stainless Steel Plug, Plug made of best alloy, two layers of rubber seal at the end side, waterproof and solid.

### 3. Application

factory, workshop, wharf, airport, parking area, stadium and etc.

### 4. Service

#### 1. Welcome OEM/ODM.

We can accept your own brand or design.

#### 2. Quality control.

- 1) After the sample is confirmed, we will prepare the material production order in strict accordance with the sample, and test the goods in strict accordance with the sample quality.
- 2) Our salesman ,also as a order follower,would trace every phase of production from the beginning.
- 3) We have a QC team ,every product would be checked by them before packed.
- 4) We would try our best to help clients solve problems when they occurred.

#### 3. Welcome to visit.

When you come to our company visit us, we will arrange car for picking up and help you book hotel. If you want to visit the local scenic spot, our colleague will accompany you.

#### 4. After-service

- 1) In production and after delivery, we will track on time and tell your goods situation.
- 2) When the goods arrived, if you find any design and quality question, or difference from your samples, please feel free to contact us, we will find the question and solve it with you.
