

200w Industrial LED Flood Lights AC Electreic High Lumen Floodlights 6000k

Our Product Introduction

for more products please visit us on solarpanelstreetlight.com

Basic Information

- Place of Origin: China (Mainland)
- Brand Name: HKV
- Certification: CE, ROHS
- Model Number: HKV-TG3B-100
- Minimum Order Quantity: 1
- Price: Negotiable
- Packaging Details: 1Pcs/carton, Neutral Packing
- Delivery Time: 5-30 days after we received payment, depends on your order
- Payment Terms: D/P, T/T, Western Union
- Supply Ability: 2500pcs per week

Product Specification

- Product Name: 200w LED Flood Light AC Electreic High Lumen Floodlights 6000k
- Power: 20, 30, 50, 80, 100, 150, 200W, Optional
- Beam Angle: 120° , Optional
- Carton Size: 54*54*40cm
- Luminous Flux (lm/W): 115lm/W
- Chips: High Brightness
- Highlight: exterior led flood lights

Product Description

200w LED Flood Light AC Electric High Lumen Floodlights 6000k

Specifications:

Item Name	150W	100W
Material	Aluminum	
Input	AC100-265v	
Power Factor	0.95	
Light Color	4000 - 6000k, optional	
Beam Angle	120°	
Luminous Efficiency	115lm/w	115lm/w
Luminous	17250lm	11500lm

Product Descriptions:

1. Optical light distribution, no glare, no light dye, strong directionality, high uniformity.
 2. High power LED floodlight with SMD2835 (58-65LM/led), all chips passed LM-80 6000 hours test.
 3. Constant current driver makes the stable rectification and instantaneous startup.
 4. The power factor is above 0.95, which makes the power supply high efficiency, and energy-saving.
 5. Floodlight shell uses the optimal idea of integration of to get better heat dissipation function, and besides, the appearance design is also very novel.
 6. The surface of the led floodlight reflectors has been anodic- oxidized, fit closely with the light sources, which makes it with high light efficiency.
 7. Surface treatment: electrostatic plastic spraying makes it with high temperature resistance, good weatherability. And many colored is available.
 8. For the light body, it is made by high pressure die casting aluminum, which has compact structure, high stability and high corrosion resistance.
 9. The good sealing of the light body make it waterproof and dustproof.
 10. Special assembling technology of heat dissipation
- For led: polishing the mounting place & put thermally conductive grease.
- For driver: driver completely drowned in thermal-conductive glue, with perfect heat dissipation.

Application

Suitable For: Stadiums, buildings, billboards, gardens, squares, landscape, stage, bridge, building, green landscape, hotel, cultural facilities, bars, discos and other entertainment outdoor place

Shipping

More options for shipping your cargoes:

1. By express: DHL,UPS,FEDEX,TNT,USPS etc. delivery time for 3-7 days.
2. Air freight: when your cargoes are more than 100kg, air freight will be more economical than express.
3. Sea freight: shipping by SEA is available after customer tells us the destination port.
4. Agent designated by client: please tell us the contact details of your shipping agent / forwarder.

Our Service

We can answer questions on line.If you have questions ,you can ask us directly.

We can design products as customers' demand or manufacture for you if you have pictures or drawing.

- 1.Your inquiry related to our products or prices will be replied in 24hrs.
- 2.Well-trained and experienced staffs to answer all your enquires in fluent English
- 3.OEM&ODM, any your customized lightings we can help you to design and put into product.
- 4.Distributoership are offered for your unique design and some our current models.
- 5.Protection of your sales area, ideas of design and all your private information.

FAQ

1. How long will your order take to arrive?

We will process your order once received your payment.

Production Term:During regular business days are typically processed and shipped the sample orders within 7 days and 15-30 days for bulk order.It varies depending on value and size of your order.

Transport term:Once an order has be ready, delivery time depends on the chosen shipping method and courier. After your order has been shipped you will receive a shipping confirmation that contains the tracking details from our sales person.

2. How about the warranty?

We provide 5-years warranty to all sold LED fixtures.

The warranty is valid for all installations fulfilling the relevant norms and application requirements. The products shall be under usage of normal condition or as recommended in the manual.

3. Do you provide OEM&ODM Service?

Yes,we had a professional R&D team and good experience in making custom OEM and ODM orders.
